

**Standards-Based Lesson Design - I Can Statements**

<b><u>I can...</u></b>	<b>New to me —————→ Got it</b>					<b><u>Got it? Prove it!</u></b> Demonstrate your understanding with examples, key terms, etc.
	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	
I can design a 5-step standards- and communication-based lesson						
I can teach in the target language from day one						
I can demonstrate knowledge of the key elements of comprehensible input (CI)						
I can design comprehension checks and other forms of assessment of student performance at every step of a lesson						
I can organize and manage learning contexts by deeply engaging students in the learning process (including differentiation)
